

BEN TUCK

SUMMARY

I am a racing driver and an ARDS 'A' Grade racing and simulator instructor with 4 years experience. I have pushed myself to maximise every opportunity and I have challenged myself to race in the most competitive series I could manage. During my career so far I have accumulated 9 wins, 21 podiums, 9 fastest laps and 3 lap records. I was awarded the 2015 RSF MSA Young Driver of the Year and named 2018 Top British GT4 Driver by Motorsport News and Autosport Magazine.

OBJECTIVE

My objective is to build a world class racing career based on dedication and hard work. I aim to follow my plan to race at National and then International level and then to become a World Champion in two different World Championships.

GOAL

I aim to be the best that I can be, and to work harder, to learn faster, to listen closer, to think quicker and to take every possible opportunity to pursue a top flight career in the motorsport industry. I know how much hard work and dedication is needed to succeed in any area of motorsport and I am ready to put in the effort to prove that I have what it takes. I have the focus and determination needed to achieve my ambition of becoming a world class racing driver, and whatever the challenge, I am ready to push myself, my team and my machine to the limit.
